Notes related to the claims verification process for Piyush IT Solutions Private Limited

1. General notes applicable to the overall claims verification process:

- 1.1. In the matter of Piyush IT Solutions Private Limited (“PISPL”, “Corporate Debtor”), please note that pursuant to an order dated August 05, 2021 (“Order”), the Hon’ble NCLT has approved the replacement of Interim Resolution Professional (“IRP”) and appointed Mr. A. Viswanadha Sarma as the Resolution Professional (“RP”). Please note that the below list places reliance on the information received from / and verified by the erstwhile IRP team.
- 1.2. The RP and his team are still reviewing the information received from the erstwhile IRP and will provide relevant updates (if any) in this regard and shall update the list on a regular basis.
- 1.3. Please note that primary reliance regarding claim verification will be placed on the verification done by the erstwhile IRP and the list of claims provided by him, unless the claim is under verification or the RP suo moto or under direction of any relevant person or on account of any facts or law coming to its knowledge has reason to review any value of the claims which have been verified.
- 1.4. The claim on account of invoices with billing period beyond ICD has not been verified in accordance with the provisions of the Code.
- 1.5. There are cases where claimants have submitted their claims without any claim form - i.e. only submitted supporting documents, affidavit etc. The RP team has reached out to such claimants asking them to submit the appropriate and complete claim form, as per the provisions of the Code, in order for their claim to be considered in the list of creditors of the Corporate Debtor. Such claims have not been considered for verification and have been included in the beginning of the list, wherever applicable.
- 1.6. As part of the verification of the claims, there are following categories of “verification” to take note of, as laid out below–
 - a) **Amount Verified** – refers to the amount that has been verified from the documents submitted by the claimant and reconciled from the records of the Corporate Debtor.
 - b) **Amount verified as per the claimant documents/representations** – refers to the amount that has been verified from the documents submitted by the claimant but are subject to further reconciliation from the records of the Corporate Debtor.
 - c) **Amount under verification** – refers to the claims that are currently under review; the status of the same shall be updated post verification.

2. Claim from NOIDA Authority:

The erstwhile IRP is in receipt of claim by New Okhla Industrial Development Authority (“NOIDA”) dated 29th April 2021. NOIDA has submitted their claim in Form – C and the claim amounts to INR 59.09 crores. Further, NOIDA has filed an interim application for condonation of delay in filing the claim with the NCLT. Considering the case is currently sub-judice, the RP has verified the claim based on the documents submitted by the claimant.

Additionally, it is to be noted that in the NCLAT judgement dated 16th April 2021 in the matter of *NOIDA v Anand Sonbhadra*, Hon’ble NCLAT has held the dues of NOIDA Authority as operational in nature and the lease to be an operational lease. Accordingly, the claim has been categorized as an operational claim.

3. Claims from Financial creditors in a class i.e. Homebuyer claims:

- 3.1. Eight claims pertaining to Piyush IT Solutions Private Limited have been received that do not appear in the allottee list provided by the IRP. Such cases are pending verification and have been included in the beginning of the list, for ease of reference.

- 3.2. As per the information received from the IRP, we understand that an interest rate of 8% has been admitted for all the homebuyer claims. The interest rate has been calculated from the date of receipt of payment till the date of commencement of insolvency. The RP has followed the same approach in the verification of the new claims/ received from the Homebuyers.
- 3.3. As per the list of creditors received from the IRP, the claimants with the RERA Decree order had been categorized as "Other" creditors. However, all such creditors have submitted their claim in Form – CA, i.e. as Financial Creditors in Class. Based on the review of the documents, the said claimants have been classified as Financial Creditors in Class i.e. Homebuyers. In such cases, the amount mentioned in the RERA order (inclusive of taxes) has been entirely admitted as the Principal amount. Further, as per the RERA order, homebuyers are entitled to interest on the sums paid by them to the real estate developer. In such cases, the interest has been admitted on the following basis –
- a) In the cases where RERA decree specifies the rate of interest to be paid to the homebuyers, the interest have been admitted at the rate which is lower of the rate claimed or the rate provided in the order/decreed. The same has been calculated from the date of the order/decreed or the date by which payment is due, whichever is later
 - b) In the cases where RERA decree does not specify the rate of interest to paid to the homebuyers and the homebuyers have claimed interest, the interest have been admitted at 8% per annum as is payable under the provisions of the Code. The same has been calculated from the date of the order/decreed or the date by which payment is due, whichever is later
 - c) In the cases where RERA decree specifies the rate of interest to be paid to the homebuyers, however, the homebuyer have not claimed any interest in their form, in such case no interest has been admitted.
- 3.4 Any amount of indirect taxes claimed by the homebuyers have not been admitted, as per approach adopted by the erstwhile IRP. The RP has followed the same approach in the verification of the new claims received from the Homebuyers.
- 3.5 Out of the total claims, there are 18 claims for which either the copy of the Builder Buyer Agreement was not provided or there was no proof of payment. The IRP has provisionally admitted such claims.
